

FUJI/FA 200**REWARD**

Half an hour's free demonstration flight in Japan's most popular light sporting-cruising aircraft, the Fuji/FA 200 as REWARD for anybody who can tell us what OTHER aircraft can offer the following in its basic configuration—

Fully aerobatic

Full four-seater with luggage compartment/s. Approximately 700 miles cruising range

135 m.p.h. cruising speed at casual revs.

180 or 160 h.p. Lycoming engine (constant speed propeller included on the 180).

Can be flown with the hood open in five different positions. No witty comments please!

Engine driven vacuum system with Horizon and DI at no extra cost.

Other items almost invariably charged as extras on lesser aircraft but included with the Fuji are as follows—

Reclining seats. Lockable baggage locker (180). Aerobatic four-strap harnesses for pilot and co-pilot. Four map pockets. External starter socket. Navigation lights. Four ventilators. Instrument lights. Tinted sun visors. Map light. Retractable instrument lights. Rotating beacon. Nav. light reflectors. Twin landing lights in wings. Heated pitot head. Taxi light. Jacking pads.

Anti-static devices on wings and undercarriage.

Speed fairings on undercarriage legs.

Superb cabin heating system.

Control locks. Manifold pressure gauge (180).

Tow bar. Dual controls.

Torch. Wheels or sticks.

First aid kit. Centre controls consul.

Fire extinguisher. Tail and rudder trim (180)

Vertical speed indicator. Foolproof lockable controls for mixture, etc.

Sensitive altimeter. Good short-field capacity.

Superb two-colour paint scheme in a number of attractive colours with choice of interior upholstery finish.

4 Ash trays. 2 Arm rests. 2 Sun visors.

Carpeting. Microphone Jack Socket.

Turn & Slip Indicator. Compass, Stall Warnings Device, Heated Pitot Head.

Anti-corrosion treatment . . . we simply have to cut the list short as the advertisement would exceed our budget allowance.

Write now for an exciting colour brochure giving full details of this superb, beautifully constructed, all-metal aircraft to—CIE Aviation, 16 New Street, St. Peter Port, Guernsey. Tel: Guernsey 23006 or 22271 (Telex 41442 Bordeaux Guernes) or contact our U.K. Consultant/Pilot Ron Wingfield at Trenance Mill, St Austell, Cornwall. Tel: St. Austell 4771/2 (Telex 45391 Plastrip Staust).
